

Gaylord Couple Seriously Injured on M-72 East

Leah Eddington, and Dean Handrich, both 19 from Gaylord, were seriously injured Saturday when their vehicle went off the road at a high speed. Crawford Co. Ambulance Corps took both to Grayling Mercy Hospital and then transferred Handrich to Petoskey and Eddington to Traverse City. Handrich, the driver of the car, was charged with operating a vehicle under the influence of liquor and violation of public health code. The accident took place one mile east of Grayling on M-72.

A trailer carrying a 24-foot sail boat turned over on I-75 northbound on the steep hill just south of Grayling Saturday at 11:30 a.m. The driver, Kathryn Kubasiak, 31, of Marshall, reported no injuries. Crawford Co. Sheriff deputies and Mich. State Police directed heavy traffic in one lane for two and a half hours while a tow truck righted the trailer.

On southbound I-75 just south of Grayling a military vehicle allegedly ran into a vehicle driven by a 27-year-old Gaylord man. Mark Kobylarz reported that the military vehicle stopped for a moment and then took off. A local towing truck was called to the scene and the military hit and run vehicle is still being sought.

More than \$1,600 worth of survey equipment was reported stolen from the range 40 complex at Camp Grayling. The equipment was stolen in two separate occasions on the part of the range located in Otsego Co.

3rd Annual Roast Aug. 26th

The stage is set for the 3rd Annual fiasco known as "The Roast". It will be held Thursday, August 26, 1982 at the Camp Grayling Armory. Cocktails at 6:30, Prime Rib dinner at 7:30, cash bar.

This year we will feature "Barbecued Banker", rolled in dough (or is it rolling?), done rare, with side orders of cash cabbage and nickel pickles.

This yearly extravaganza is always a sellout so get your tickets early. Tickets are \$7.50 per person and are available from:

Avalanche, Macs Drugs, Paul Thomson, George Stancil, Irv McIsaac, Marty VanDeVen, Scheys Country House, John Naour, Grayling State Bank, Chamber of Commerce, WQON.

"Music Man" Presented Monday By Exciting Young Americans

After three successful performances in Grayling High School's Joseph Stripe Auditorium, The Young Americans will close their Grayling run on Monday, August 9, when they present Meredith Willson's "The Music Man".

This timeless classic of the musical theatre will feature the same polished Young Americans who charmed the Grayling area audience in the season opener, "To Richard Rodgers, With Love."

"Music Man," the story of a small-town con man turned piper has been loved by audiences since it opened in 1957, for its music, which ranges from enchanting love songs to exciting marches.

Tickets for "Music Man" are \$8.00 each. They can be purchased at the box office, located at 403 Michigan Avenue, or by calling 348-7641 between 8:00 a.m. and 4:00 p.m. on Monday through Friday. All performances begin at 8:00 p.m. in the Grayling High School Auditorium.

Kiwanis Golf 'Stag Day' Tees Off Aug. 19

The Grayling Kiwanis club will be holding its golf "Stag Day" Thursday, Aug. 19, at the Grayling Country Club from 8:30 a.m. to 5 p.m. Contests will be held and prizes given away in the scrambles team scoring event. Entry fee is \$20 a person which includes golf and dinner.

Dinner served at 4:30-6:30 p.m. Hot dogs will be served at noon for early golfers. Refreshments will be served at the clubhouse. All benefits go to Kiwanis civic projects. For reserved starting times call the pro-shop, 348-9941.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 10-24 August 1982.

Firing will be performed in the following range areas: The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd, east of the gas pipeline and south of Portage Creek.

The Mortar Range located south of Main Post, bounded on the west by Cadillac Rd and on the east by Carrier Rd.

The Range 30 Complex located north of North Down River Rd, east of Jones Lake Rd, south of County Rd 612 and west of Damon Truck Trail.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97.

The ranges will be closed during the period 10-24 August 1982 and all persons are warned to stay out of the areas identified.

Buckeyes Arrive For Training

By Spec. 4 D.S. Dankworth 196th Public Affairs Detach. Camp Grayling—The Ohio National Guard's cavalry rode into camp last weekend. But no one heard a bugle call or a single horse's whinny.

And, although the mission of today's armored cavalry has changed from the time when saddled troops protected the old West, the traditions of the hard-fighting horsemen have lived on. Capt. Nelson Clair, public information officer for the Ohio Army Guard's 107th armored cavalry regiment, said Sunday at the camp that modern technology has taken the cavalryman off the horse and onto a machine, but the soldiers are still cavalry.

"The tradition is there. The only thing that is different is an engine under him instead of a horse," added Sgt. 1st Class Alexander W. Render, who is an equal opportunity non-

Candidate Races fill Primary Ballot

by Jon Thompson

Crawford County voters will be selecting their Democratic or Republican nominations for Governor, U.S. Senator, U.S. Representative, State Senator, State Representative, County Clerk/Register of Deeds, County Commissioners, and County Road Commissioner.

In addition, Beaver Creek, South Branch, and Lovells Townships will be voting on proposals for fire and police protection. (See article, page 1) Frederic Township will also be voting on a township trustee position.

Voting is allowed for only one of the party tickets in the primary. Any ballots containing votes for both Republicans and Democrats will be rejected.

Heading the ballot are 11 choices for Governor of Michigan. Seeking the Democratic nomination are Kerry Kammer, Edward Pierce, David Plawecki, John Safran, James Blanchard, and Zolton Ferency. Republican nominations are Jack Welborn, James Brickley, Richard Headlee, and L. Brooks Patterson.

Four Democrats seek the nomination for U.S. Senator, Philip Ruppe, Deane Baker, William Ballenger, and Robert Huber. Don Riegle is running unopposed for the Rep. nomination.

Grayling, South Branch, and Beaver Creek Twps. will vote for U.S. Representative Democratic nomination Don Albosta and Republican nomination Lawrence Reed in the

10th District. Lovells, Maple Forest, and Frederic Twps. will vote for Rep. Bob Davis or Dems. Ted Albert, Kent Bourland, and Sven Albin Johnson in the 11th District.

All the townships will vote for 36th District State Senator nominations Reps. Hugh Prescott, John Webb, Carol Andrews, Connie Binsfeld, and Thomas Keipert or Dems. Edward Josephs, Michael Mack, and Dale Sheltrown.

The state representative 103rd nominations are Dem. Lewis Cox and Rep. Ralph Ostling.

In County races, Elizabeth Wieland will seek the Dem. nomination for County Clerk/Register of Deeds and James Kolka, Nancy Krey, and Robert Prause seek the Rep. nomination.

Celebrates 100th Birthday

Olive Kinsey Lewis celebrated her 100th birthday Sunday, July 25, 1982 at Timberview Village with friends and family. Mrs. Lewis was born near Richmond, Michigan July 26, 1882. In 1901 she moved to Crosswell and in 1907 married John Lewis in Rose City. Mr. Lewis passed away in 1960 and in 1969, Mrs. Lewis moved to Grayling, living at AuSagra Acres until April of 1981, when she broke her hip and has since resided at Timberview Village. Throughout her life, she

has been active in the Michigan Home Extension Association, and is one of the oldest members of this state organization. She was also very active in farm and garden clubs while in the Crosswell area.

10,000 LSD Tabs, 4 Dealer Suspects Taken in Drug Bust

Ten thousand tablets of LSD, worth \$30,000 to \$50,000 on the street, were seized in a drug bust by Michigan State Police and the Crawford Co. Sheriff Dept. at 6 p.m. Wednesday, July 28, at a residence in Beaver Creek Twp.

Four suspects were arrested and arraigned in 83rd District Court. Jake Helsel, 49, of Grayling, is charged with two counts of delivery of LSD. Ellen Helsel, 43, of Grayling, is charged with two counts of delivery of LSD and two counts of delivery of marijuana. Luther Helsel, 25, of Grayling, is charged with one count of delivery of marijuana. Debbie Helsel, of Grayling, is charged with one count of delivery of LSD.

The arrests Wednesday concluded a five-month investigation. The Crawford Co. Sheriff Dept. uncovered the initial information about the dealer suspects and then enlisted the aid of the Mich. State Police, who had the money and manpower to start a drug-buying and watch operation.

Seized along with the 10,000 tabs of LSD - enough doses for every resident of Crawford County - was marijuana, assorted other drugs still being analyzed, paraphernalia, about \$4,000 in cash, and the suspects' records of transactions.

The arrests were made at the Jake Helsel residence in Beaver Creek. The undercover police agents were offering to buy the LSD for \$15,700. Search warrants were issued later and the house was searched uncovering the additional drugs and related material.

Bond was posted at \$50,000 for Jake Helsel, \$100,000 for Ellen Helsel, \$10,000 for Luther Helsel, and \$10,000 for Debbie Helsel. All four suspects paid 10 percent of the bond in cash and were freed by Thursday afternoon. They all demanded preliminary hearings.

Local law enforcement officers said this drug bust could put a scare into local dealers and possibly put a big dent in the market for three months.

Community Backing Hatchery Renovation

Progress on the renovation of the Grayling Fish Hatchery to date is a reflection of the community pride as each portion of the work has had donated support.

The raceway edges are being mowed compliments of the Camp Shawano young men. A mower has been purchased with donated funds from the Grayling Rotary Club and Grayling State Bank. The mower was furnished at cost from the Grayling Power Equipment Co. Concrete facings for the raceways to be closed have been poured by Ron Case and his helpers. Grayling Window and Door supplied the lumber for the concrete forms. Jack Millikin Inc. has furnished the concrete at cost. Long time Conservation Officer, now retired, Clarence Roberts donated \$50 from tying flies to the hatchery fund.

Once the raceway concrete faces have been completed, the local men from the Michigan National Guard have agreed to take

on the tremendous task of filling the channels with soil. Recent estimates are that they will pour about 5,000 cubic yards into the area to prepare them for the landscaping and wider walkways.

A fund drive is underway with a target goal of \$25,000 set to complete the renovation and open the fish hatchery first day of the trout season, April 30, 1983.

To obtain funds, the committee has placed collection containers in many strategic spots in the county. According to Committee Chairman Bob Smock, some locations

may have been missed in the haste for obtaining funds to get the project started. He has requested that merchants who would like a container call the Old AuSable Sporting Goods.

Smock said individuals or organizations wishing to contribute may send donations to the Crawford County Treasurer with the check made out to the Grayling Fish Hatchery Fund. A receipt will be sent to each donor.

Small lapel pins acknowledging donations will be available soon that will picture a Grayling Fish with the

word "Grayling" superimposed above the picture, Smock said. The intention is to sell these on street corners much the same as other worthy local and national fund drives do, he said.

Smock indicated that a slide and tape recorded program is available which describes the project. He noted that any civic club that would like a presentation may call Vice Chairman Don Geiss at WQON 100 FM 348-5488 or at his home 348-5657.

Smock said that the project goal of \$25,000 is already over the \$1,000 mark

Fire & Police Protection

3 Proposals on Ballot

Residents in Beaver Creek, Lovells, and South Branch townships will be voting next Tuesday on three proposals for fire and police protection.

In Beaver Creek, voters will decide if a special assessment district should be created to help pay for starting a township fire department. If the voters approve creating the special assessment district, then the township will set a millage rate for funds to buy equipment, construct a building, and operate for one year. For the next year, a special fire dept. meeting will be held after the annual township meeting to discuss funds and decide on operating millage.

Charles Gordon, chairman of a special Beaver Creek Township fire dept. committee, said a tentative millage rate for the first year costs of buying equipment, constructing a building, and operating the dept. is around

1.3 mills. That would generate approximately \$173,000 for the fire department to build a three-bay building, buy a pumper and tanker truck, and train about 20 volunteers among other costs.

Gordon said a tentative site for the department has been selected if voters say go ahead with the department. He said a piece of state land near the intersection of M-76 and Seven Mile Road would be the best place to serve the entire township. It borders on a black-top road and is in the middle of a network of roads to reach all parts of the township.

Currently, Beaver Creek buys fire protection from three depts. Grayling Fire Dept. protects the northern half of the township including the \$60, million Weyerhaeuser plant. Lyon Twp., in Roscommon County, protects most of the southern half with Roscom-

mon Village protecting the south-west corner.

In Lovells Twp., residents will vote on a levy of ¼ mill for the fire dept. - a reduction of ¼ mill from last year. Lovells Supervisor Fred Schabally said the township is able to reduce the millage because their fire building and new truck are paid off. The building contains four stalls for trucks. The Lovells Fire Dept. owns two tankers, 1500 and 1000 gallon, a jeep equipped with pump cans, and a 1977 300-gallon pumper.

In South Branch, residents will vote on creating a special assessment district to provide police protection in the township. The township in the past has employed their own police officers but could no longer afford it. Residents turned in a petition to the township board last year requesting a vote on providing police protection.

THANKS TO ALL

The parish of St. Francis Episcopal Church extends a very genuine thanks to all members of the community for making its third Annual Benefit Auction a success. We would like to thank the radio stations WQON, WGRY, WWRM, and WHGR, and Dan and Maggie's Arrow Gas Station for their help with publicity. And a special thank you to all of you who thoughtfully donated items to be auctioned, especially the following Grayling Merchants: Skip's Sport Shop, Davis' Jewelers, Weiber's Jewelry, ProMart, Grayling Mercantile, Holiday Inn, Multi-Medical, and Rutter's Window and Door.

We are especially indebted to our auctioneer, Col. Larry Glynn, of the Grayling Auction House, who generously donated his time. His competent expertise was very much appreciated.

Look for the fourth Annual St. Francis' Benefit Auction next summer.

Sibs for Kids

What does SIBS stand for? Good question! I have been asked that many times recently. SIBS is short for siblings, which according to Webster Dictionary means, "Brother or Sister".

So, SIBS for Kids is a program to provide a "Big" brother or sister to some child that may need one.

Why would a child need a sibling? Sometimes a child in a one parent home can benefit from the friendship & companionship of another adult person, particularly when the one-parent family is separated from grandparents & other immediate family members.

All children need a role model to identify with, male & female, & when one or the other is missing, something is missing from the child's life.

SIBS for KIDS tries to help fill that gap for Kids ages 7 to 17.

For more information on being a "Big Brother or Sister", or on enrolling your child, contact SIBS for KIDS at 348-2841 ext. 262.

commissioned officer for the regiment.

Nearly 2,000 Buckeye tankers, artillerymen and infantry troops from the 107th made up the dawn-to-dark motor convoy that rolled through Ohio and Michigan on the way to Grayling Saturday, July 31.

The miles-long line of trucks and jeeps rolled along country roads while pilots of the flying cavalry, the 107th's attack helicopter group, zigzagged overhead in their combat choppers.

Clair said the troops from 16 units spread over much of Ohio will be training the next two weeks to perfect their modern-day federal mission.

That mission is to protect a large number of troops in time of war, like a 16,000-member combat division, while the troops pass through an area.

"We would be the security force for a division," the big captain said.

Of course, the regiment is also ready to fulfill its state mission, part of which is helping out in time of a natural disaster.

Clair added that the regiment will train and fire its M-60 tanks, eight-inch howitzers and smaller weapons during the two-week camp.

"They got a lot of firepower," Render said.

Both Clair and Render explained how the horse cavalry's traditions have been retained over the years.

"The uniform has changed, but if it were up to guys like (Gen. George) Patton, we would have our own (style of) uniforms," Render said.

Clair explained how the parts of the horse cavalry's tradition have remained sacred to the modern cavalry.

He said an officer wins a pair of spurs when he successfully takes a troop through a training field exercise.

The old cavalry's Stetson hat and sabre are also respected items in the regiment. And the head of a black stallion is the identifying patch the unit members wear on their sleeves.

"They stand out," Render said proudly about his fellow cavalrymen. "Our horses have just changed."

Grayling, Michigan—Thurs., August 5, 1982

From Our Corner ...

Now that the 9th annual Milltown Festival has become history...many bouquets should be passed out for the work that the committees accomplished to make this one of the finest of all...one of the highlights of the weekend was the naming of Ron Fraser as "Citizen of the Year"...Ron is well deserving of the title as he has contributed much to Grayling since he came here from Bay City to build the Holiday Inn, of which he has added a Holiday...Ron has served on the Mercy Hospital fund raising board, the Grayling Regional Chamber of Commerce and has been on numerous committees working with the Crawford-AuSable School Board...he has been active in the Industrial Development committee in trying to get new industry to come to Grayling...and has worked on many civic functions with no recognition...the committee that chose Ron deserves a pat on the back for its decision...

The ol' fella had a rare experience last Wednesday when we joined a group of people attending civic day for the 38th Infantry Division from Indiana...we met at the Airport where three helicopters waited to fly us to Camp Grayling where we had lunch at the officers mess with Major General John Dillon, Commander of the 38th Division...from there the group was flown to the artillery range where the group learned about and watched the firing of the howitzers...from there we were flown back to the airport that completed an enjoyable 4 hours...people remarked how loud the helicopters are on the ground...they can't help it they are loud inside them while in the air...we still have our ear plugs...

Where has our summer gone?...we don't know and believe it or not we have but one month to enjoy what is left of the summer of '82...August will be gone so fast that Labor Day will be here before we know it...we can't think of one thing we have accomplished so far...seems that we have gone from one trauma to another...

Our bride and I were invited out to Col. Barney and Mary Dukes along with George and Betty Pamerleau at McIntyre Landing for a couple of orange pops and a grilled inch thick pork chops, yes, we could only eat one...while we sat outside I noticed quite a few flags that were different and found out they were the State of Indiana flags...we thought at the time some day they may call McIntyre Landing, Hoosier Landing if they get many more flags flying...

The citizens of Crawford County will have many decisions to make next Tuesday, August 10th when the polls will open for the General Primary election...voters will cast their ballots for the nomination for Governor down to the county grass roots offices...there is a story on the front page covering all the nominees...so we will use our portion of the paper to urge all voters to get out and cast your ballot...this is a privilege for all, take advantage of it...vote Tuesday, August 10th...

Dang it all...we were trying to get a head start on this turkey Sunday afternoon, but, we have ran into a stalemate, so I guess the best thing to do is set it aside and wait for Monday, possibly something will come to fill this bird for this week...

I don't know why we waited for Monday to fill this bird...nothing earth shaking happened...we didn't run into Irv or the Leprechaun today, and those two normally make good stuffing for this gem when everything else fails...R.J. has come around a few times lately and has offered to take our bride and I for a fishing trip, but I don't care for fishing, and after a few times we have used R.J. in our column he has told me he doesn't get mad, he gets even...like using us for the anchor...so we're going to pass up any trips this summer...maybe he will forget...

It's a nice evening, after a cool morning, so we're calling it quits and heading for an orange pop in the backyard...goodnight T.J., Stefany and Amber, and to all our readers have a nice weekend...there are but four before Labor Day...

The Bible Speaks

From Calvary Baptist Church

Sanctification and Oppostion Romans 8:33, 34

It is certain that Satan and all the demons in Hell would like to oppose the Christian. The Devil's crowd here on earth would like to attack our salvation. Since God is on our side, no one can stand against us. Romans 8:31. Since God chose us as His elect, the selection is not in the hands of another. Since God has already justified us by applying the finished work of Jesus Christ to our account, there is no person who can undo it. "Who shall lay any thing to the charge of God's elect? It is God that justifieth." Romans 8:33.

Since no one can bring charges against us, it is only logical that no one could bring condemnation upon us, but God still wants us to know this simple truth from His word. "Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us." Romans 8:34. Christ has already died and shed His precious blood to pay the price of our condemnation. The future condemnation of a single justified saint would render the shed blood of Jesus Christ as ineffective.

No one can approach God the Father to bring charges of condemnation against us because Jesus Christ sits at the father's right hand to intercede for our sins. Jesus

Christ not only paid the price for our sins, but He pleads our case as our defense attorney before the throne of God.

Does your Sanctification render you eternally secure? If you have a "think so", "maybe so" or "hope so" salvation, you may only have a false religion of works. Eternity is too long; Heaven is too wonderful; Hell is too horrible; Your soul is too valuable; God's plan of salvation is too simple; and your opportunity to respond is too short for you to play games with your eternal destiny. Only a fool would face a Holy God without full assurance of salvation. (adv.)

Pastor Barnett

CARD OF THANKS

I would like to take this opportunity to thank all of the Masons, Eastern Stars and others who helped with the Milltown Smorgasbord Dinner at the Masonic Temple, especially those who helped with the preparing of the food during the long hot hours of the day, and those who contributed to the dinner.

Thanks to the dishwashing and serving crews for a job well done.

A special thanks to the hundreds of people for coming and trying our food.

Happy 25th Anniversary

AUGUST 10, 1957 ZIEBELL-KESSELER VOWS EXCHANGED

Miss Phyllis Joan Ziebell became the bride of Roger Louis Kessler in a double-ring ceremony at St. Mary's Rectory on Saturday, August 10th, at 7 o'clock in the evening, with the Rev. Fr. Joseph Sakowski officiating. Phyllis is the daughter of Mr. and Mrs. Jensen Ziebell. Roger is the son of Mr. and Mrs. Jerome Kessler. Both are graduates of Grayling High School, and Roger is a student at Central Michigan College. Members of the immediate family were present at the marriage.

The bride was attired in a ballerina length full-skirted gown of nylon tulle over net, with shirred sleeves and a scoop neckline trimmed with three-dimensional lace. She wore a tiny hat of pink daisies. Her bouquet was of white drooping feather carnations with pink baby roses in the center.

Mrs. James Bond was the matron of honor. Her gown, fashioned of white embroidered nylon over blue featured shirred sleeves. With it she wore a white picture hat and carried a bouquet of Shasta daisies with blue cornflowers in the center.

Tom Kearney served as best man for the bridegroom. Mrs. Ziebell was attired in navy linen with white trim and accessories. Mrs. Kessler wore a beige and white dress with white accessories. Both wore corsages of white roses and yellow carnations.

A reception was held at the American Legion Hall immediately following the wedding. Some one hundred fifty guests were served wedding cake by Miss Joan Bond. The cake table held white tapers in crystal and rosebud holders. Flowers graced the coffee table, while the punch table held a large pink bell decorated with flowers. Miss Barbara Nelson and Miss Nancy Caris of Higgins Lake poured coffee. Punch was served by Miss Marilyn Gildner and Miss Yvonne Yuill of Gaylord. The bride was assisted in opening the gifts by Mrs. Gene Rauch and Mrs. Wilbur Wiseman of Midland. Her bouquet was caught by Miss Marilyn Gildner.

What To Do About Jack Pine Budworms

Many of our homeowners are experiencing severe outbreaks of Jack Pine Budworm. This is the organism that is killing Jack Pine and other pine species. The worm is a reddish color with lighter colored lengthwise stripes and they are about 3/4" long. If left uncontrolled this worm will probably kill or severely weaken affected trees.

Control - A chemical spray of Sevin (Carbaryl) is effective on smaller pine trees. A 12-15 foot tree is probably the largest tree that can be treated with hand pump sprayers. Treat those trees which are part of your yard or landscaped area - it is probably impractical to treat a large areage. A long term solution is to replace the Jack Pine trees in your yard with Red Pine, maple (avoid silver maple - the branches break to easily) and oak.

These species in most situations will grow on the same site as the Jack Pine. It is also advised that as soon as you determine the trees are dead (no needles next spring) they should be cut down - the resulting wood could be used for fire wood (it is best to leave your pine in as large a diameter as your wood burner will allow.) Jack pine sawlogs generally 10" diameter and straight can be custom sawn into lumber or timbers if treated with a wood preservative. They should yield a 7-10 year useful life.

Bits O'Talk

By Fay Bovee

Guests at the Jim Wiltse home over the Milltown weekend were Mike Wiltse, John Watson, Terry Zielasko and Janet Zielasko. They came from Plymouth and Ypsilanti to take part in the Milltown Race and all of them were winners. Also spending the weekend were Mr. and Mrs. Jerry Wiltse of Saginaw and Mr. and Mrs. Roy Van Poppelen of Bay City.

Ruby Reetz has returned home from three weeks in Northern Michigan Hospitals in Petoskey for light treatment and her daughter-in-law, Mrs. Eileen Chappel is home after spending two weeks in the same

hospital for hip surgery. They are both very grateful for all the cards and get well messages they received. Visiting Mrs. Reetz for a week were her daughters, Mr. and Mrs. Eugene (Janet) Barczynski of Mt. Clemens and Delores Kin-sora of St. Claire Shores. Also visitors at the Reetz home were a niece and nephew, Don and Winnie Dyer of Crystal Lake.

Erika & Angela Sattler, daughters of Dan & Dee Sattler are back home after spending several weeks at Wilderness Church Camp in Kalkaska. While there Erika celebrated her 9th birthday.

Mr. and Mrs. Clarence Dupuis of Lake Linden were guests of her sister and husband, Bruce and Corrine

Smith, for a couple of days. Also stopping enroute to Detroit were Corrine's mother and aunt, Mrs. Gust Soderberg and Mrs. Al Asplund.

Editor's Mailbox

July 24, 1982

Dear Whitey, Being "part-time" residents of Grayling for the past ten years and subscribers to the Avalanche (which we very much enjoy) we wanted to express to you and the town of Grayling, a big Thank You for being what you are, people who are friendly, outgoing, helpful & warm.

The Milltown Festival has always been an event that we've looked forward to. This year we again enjoyed many of the special events but noticed, after reading over the schedule, that nothing special was being offered in the way of events or entertainment for the teens of the area.

Last year the teens had the opportunity to enjoy the games and rides at the Carnival, located on the lawn next to the Crawford County Historical Museum. There was a variety of rides & games to attract this age group, not just rides for kids.

I understand, after last year's Carnival, there was a complaint from a member of the Historical Society Museum about the Museum having to be closed and the grass being trampled down.

Is this the reason for a smaller Carnival, located in an area off the beaten path? I hope not, because the grass will always come back, but will the tourists?

Sincerely,
Mickie & Dennis Meyers

In regular play for the Monday Night League on July 26 Gloria Nielsen came in with a 56 for low and low putts of 14. Rita Schlehuber chipped in on No. 9 and had a low of 16 on holes 7, 8 & 9. She was also the most improved player on rangers. August 9 will be steak night again and you are asked to bring a dish to pass.

In Wednesday League play on July 28, Corrine Smith came in with a 46 and 11 putts which she gained by chipping in on two holes, No. 6 and No. 9 and also having a bird on No. 9. Pearl Tucker took low net of 34. In Flight B, low gross was won by Doris Birtcher, Edie Blaha, and Donna Pottorff, all with 54, low net was won by Doris with a 33 and low putts by Ricki Stahl with 15. Jeanne Thompson chipped in on No. 8 giving her a bird on that hole. In flight C, Caroline DiPonio took low gross, net and putts with 52, 30 and 16 respectively while Faith Stripe chipped in on No. 5.

In Tuesday Men's League, closest to the pin on No. 1 was Herb Olson and closest to the pin on No. 8 was Bob Bovee while Irv McIsaac and Larry Smith had low net. In Wednesday League, closest to the pin on No. 8 was Al Zigala and closest to the pin on No. 9 was Bernie Pottorff. Emil Kraus had low net.

In regular play on Monday, August 2, the 70-80 range was won by Marti Gosling with a 72 while Sharon Huss had low putts in the same category. Low game for the evening was Jane Croze and Kay Ellen Juntilla with a 51 while Gloria Nielsen and Jane put in only 13 putts. Jane also chipped in on No. 8 and with Key Ellen was low on 1, 2, & 3 with a 17. Most improved ringer score was Sharon Huss.

Correction — August 9 will only be a potluck, no steak, so be sure to bring a dish to pass. August 31 will also be a potluck at the grand finale.

Mr. and Mrs. Arthur Carlson and Richard, and Corlynn and Burnis Meech, were in Alanson on Friday, the 30th of July to attend a couples baby shower for their daughter and son-in-law, Mr. and Mrs. Robert (Cindi) Graham. The shower was hosted by Mr. and Mrs. Al Shankland and Mr. and Mrs. Chuck Owens of Alanson at their home on the river. Also attending were Mr. and Mrs. Rod Powers of Mears. On Saturday, Art and Merle left for Battle Creek to attend Art's 40 year class reunion of Bellevue High School held at the Holiday Inn of Battle Creek. On Sunday, they were accompanied home by their grandchildren, Jennifer, Angela, and Bradley Olson of Lawton, who were coming up north to spend a week in Petoskey visiting their aunt, Mrs. Cindi Graham.

Mrs. Russell White, nee Janet Matson, of Jacksonville, Florida was a guest of Beulah Moore from July 20 to the 30th. During that time they toured the Upper Peninsula going up to Copper Harbor.

The Jack Smiths of Fremont visited his parents, the Carl Bartells at Lake Margrethe last week. They also visited his sister and family, the David Englands.

Donelle Bentley entertained Miss Kalkaska (Tamara Hammond) and her court on July 24, 1982. They were here to ride in the Milltown

parade. Their driver Mr. Gosling visited with his son and family, Dr. and Mrs. Charles Gosling to enjoy blueberry pie and coffee.

Mrs. Donald Bentley's mother, Frau Anny Muller, came for a five week visit to attend her granddaughter's graduation. While here she visited Ferris State College to see where Donelle will go to college in the fall, then to Frankenmuth to watch Donelle in their parade. The highlight of her visit was when Donelle was chosen to be one of the four finalists in the Cherry Festival in Traverse City. Frau Muller left July 7th with beautiful memories of her 4th visit to Grayling.

ATTENTION

All Qualified Voters

On August 10th, you will have an opportunity to elect a responsible candidate for Commissioner District 5.

This year we are most fortunate to have a qualified candidate whose past record for years of fighting bureaucratic, wasteful spending of your tax dollars, leaves no doubt about his sincere concern at the local level.

YOU ALL KNOW HIM AS

Don Welser

A HARD WORKING BUSINESS MAN

Most are not aware of the hundreds of hours Don has given of his time in diligent study to make some public officials aware of their thoughtless, wasteful spending.

Elect him to the Board of Commissioners August 10th, so he will be in a much better position to oversee the spending of our tax \$\$\$\$.

Notice of Mortgage Sale

Default having been made in the terms and conditions of a certain mortgage made by Philip F. Faustman and Constance M. Faustman, his wife of Rt. 5, Box 5097, Grayling, Michigan 49738, Mortgageors, to the Grayling State Bank, A Michigan Corporation of Grayling, Michigan 49738, Mortgagee dated February 9, 1982 and recorded in the office of the Register of Deeds for the County of Crawford and State of Michigan on the 10th day of February 1982, and in Liber 204 of Crawford County Register on Page 156, on which mortgage there is claimed to be due, at the date of this action for principal, interest, and real estate taxes paid by mortgagee, the sum of Twenty-Five thousand six hundred fifty dollars and 60/100 (\$25,650.00).

And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof. Now therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided notice is hereby given that on the 29th day of September at 10:00 O'clock A.M. said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the front door of the Crawford County Building, in the City of Grayling, Michigan (that being the building where the Circuit Court for the County of Crawford is held), of the premises described in the amount due, as aforesaid, on said mortgage, with the interest thereon at 16% percent, annum and all legal costs, charges and expenses, including real estate taxes which may be paid by the undersigned necessary to protect its interest in the premises.

Said premises are described as follows: State of Michigan County of Crawford in the Township of Grayling, to wit: Lot 8, Pinecrest Subdivision, according to the plat thereof as recorded in Liber 2 of Plats, Page 01, Crawford County Records.

The redemption period shall be six months from the date of such sale.

RSVP Reports

Sherry Haag, Director

Welcome to news of the Retired Senior Volunteer Program. In a recent article on Family Violence, elderly abuse, physical and otherwise, was discussed by Dr. Noel Cazenave, Assistant Professor of Sociology at Temple University. The whole issue of the battered elder is very involved. It has to do with the elderly being able to live up to their most sacred value—and for the aged, that most sacred value is independence.

Violence is not always defined as a physical hurt or injury, according to Dr. Cazenave. Violence simply means that something of value, be it health, freedom, or property, is assaulted, disturbed, or mistreated. Many people are concerned that a great number of elderly will literally freeze to death this winter or starve. Now that's violence against the aged, because that's a violation of their right to live independently—a violation of them physically, morally, mentally and spiritually. He points out that the media aggravates the problem with their on-going presentations of the elderly as hopeless, bumbling and befuddled persons with no input for society. He accuses television of putting too much emphasis on the youth culture. If you reduce the aged to jokes—to something

that is useless—you increase the legitimacy of them being abused. You also decrease their self-esteem—and we know that persons with lower senses of self-esteem are more likely to tolerate abuse. To help prevent the recurring violation of the elderly, Dr. Cazenave suggests that middle aged persons allow their elderly parents to remain independent by residing in the same homes they have occupied for the past 30-40 years. If, of course, they are in good health and have the basic resources of life—such as adequate income, food, shelter, and heat. Dr. Cazenave also tells the middle aged to let their parents contribute to family chores and problems. If they reach out, let them help in any way. Age doesn't reduce faculties to the extent we once thought. He also adamantly supports the aged mixing with children. The interaction benefits both the children and the aged, he said.

At present, in Crawford County, RSVP needs someone who knows how to lay bricks. Have some used bricks and need someone to make two planters for the Senior Citizen Center. If you are interested in this assignment, give us a call at 348-4341 or 348-8322.

A special big thank you to all the volunteers who helped assemble the kitchen plaques, helped make cards,

and helped at the Arts & Crafts table during Milltown. We appreciate all the help! Couldn't do it without you!

If you're interested in more information about RSVP please call 348-4341 or 348-8322.

Kitchen Shower

A surprise kitchen shower was held for Corlynn Meech by her floor mates at Hope College before the close of the semester.

On July 15th, Cory was the guest of honor at a linen shower hosted by Mrs. Debbie Ponsot and Mrs. Linda Fruchey of Fort Wayne, Indiana, at the home of their mother, Mrs. Jon Stevens. Among the fifteen guests enjoying the evening was Mrs. William Geaker of Fort Wayne, Indiana, formerly of Grayling, grandmother of Cory's fiancée.

A miscellaneous shower was hosted by Mrs. Cindi Graham of Petoskey and Ms. Susan Somerville at the home of her parents in Grayling on the evening of July 21. Of the 20 guests attending, out of town guests included Mrs. Julie Powers of Mears and Susan Worden of Hale. Cory, who will become the bride of Bill Dean on August 14th, received many lovely and useful gifts. An enjoyable time was had by all.

Crawford Co. Public Transit: News Up Date

Crawford County Public Transit (C.C.P.T. or Dial-A-Ride) is in the process of again, since our inception in 1976, setting a new ridership record for 1982. 89,605 passengers have chosen to ride your bus system in our f/y, starting October 1, 1981.

The un-audited figures show an increase of 12% over the same period last year. We feel that the acceptance of public transportation in Crawford County, coupled with the need of this service is reflected in these figures. We try to do our best to suit everyone's needs in our 587 square miles of county and even though there is more ride time than in the past, we do our best.

With the continuing increase in ridership, we are also confronted with declining state and federal subsidies and other avenues must be explored to continue the same level of service. Overall system cost is being looked at, along with any other savings. With this in mind, we have purchased a recovery vehicle to be used for snow plowing, buses broken down or stuck, getting parts, and most importantly, the added down time that could occur without the vehicle being available.

For instance: A bus could get stuck or break down with passengers on board that may have to be subjected to inclement weather conditions and delay in reaching their work site. Dr. appointment or just getting home. A privately owned vehicle may not be available at times and we have a certified person that could be radio dispatched to alleviate the condition immediately. We will not use the vehicle to compete with private enterprise under any circumstance and I would like to clarify any misconception that arose from an article that appeared in the Northern Michigan Herald Times dated July 26, 1982.

Emergency situations (no private wrecker available, vehicle down time, etc.) are the only factors that will be considered. The addition of the recovery vehicle will be an added insurance for the service to Crawford County residents for future years of un-broken public service and I'm sure will be justified.

A further up-date in C.C.P.T. news will appear in future news releases and if any person should have a question concerning any of our operation, please do not hesitate to call 348-8215. Our door is always open.

Sincerely,
Chet Johnston
Manager

Dear Friends,

It's been four years since you first elected me to represent you on the County Board of Commissioners. It hasn't been an easy four years for our community.

Three months after assuming office in 1979, your County Board of Commissioners was faced with a crisis unparalleled in the history of Crawford County. Green, untired, and a little naive, we found ourselves possessed of a budget steeped in red ink, with a deficit projected in excess of \$250,000.00! Plainly put, we didn't have enough money to keep county government operating through the fall. Additionally, we were slapped with a costly lawsuit by jail inmates demanding personal damages, jail renovations, attorney fees, and court costs that we could not hope to meet. Somewhere between the first and second year, we were notified that 25 percent of the courthouse "furnishings" had been borrowed years back and would be "reclaimed" within the month.

Having inherited this nightmare, and how we survived it is more than history. It's a miracle! Budgets were slashed to bare bone, 23 employees or nearly 50 percent of our staff was laid off indefinitely, animal control was shut down, and commissioners worked long hours for no pay.

CETA bottomed out, Dial-A-Ride was broke, the courthouse roof leaked like a sieve, employees expected annual raises we could not give, and the State threatened us with "payroll deductions" from our revenue sharing if we did not meet their "mandated obligations".

As your Chairman of Finance during these crises, you returned me to office in spite of the painful and unpleasant measures I advocated to keep us solvent. We did what we had to do, and the community supported me and the rest of the board, and together we were able to restore services and maintain a balanced budget, within the boundaries of funds available, without any increased burden on the tax payers. As our vital services have been restored, we've invested in the future, and some of our programs are even being copied by surrounding counties. Also, our budget is in the black!

I'm very proud of what I've done in your name. We may not be rich, but we are walking tall and straight down the middle.

I'm asking for your continued support Aug. 10th, and I want to use this opportunity to Thank You for the support and encouragement you've already given me during some pretty harrowing times.

I ask the voters of District 1 for their support and please vote regardless of your party or candidate choice. This is an important primary for our local government. See you at the polls Aug. 10th.

Sincerely,
Jeannette J. Kitchen

NOTICE OF HEARING

Notice is hereby given that a petition signed by freeholders of real estate within the 2nd Addition of Portage Lake Park, Grayling Township, Crawford County, Michigan was filed with the Board of Crawford County Road Commissioners for vacation of 12 foot alleys described as follows:

- Between Lots 1-10 and Lots 21-32 from Dicks Drive to a 12 foot alley in Block 6
- Between Lots 1-11 and Lots 23-29 from Dicks Drive to a 12 foot alley in Block 7
- Bordering Lots 11, 12, 13 - 22, 23, 24 from Lake Avenue to Ray Avenue in Block 7

Reasons for the requests are that the alleys serve no useful or practical purpose and the land could be improved by adjacent property owners.

Notice is hereby given that a public hearing will be held on said request on the 13th day of August, 1982 at 1:00 P.M. before the Board of Crawford County Road Commissioners in their office at 320 State Street, Grayling, Michigan.

Less Regulation Recommended For Oil and Gas Industry

Warren M. Hoyt, Executive Director, MPA

A governor's task force has recommended the reduction of unnecessary regulatory burdens on the oil and gas industry as well as continued co-operation between state government and the industry.

The task force, established to review state policies related to oil and gas development, concluded that only through less regulation and promotion of further exploration will Michigan's future energy needs be secured.

The group, appointed in April after being recommended in the governor's state of the state address, was comprised of representatives from state government and the oil and gas industry itself.

Specific recommendations made to achieve this cooperative venture include continued opposition of proposed increases in the oil and gas severance tax, not including the 1980 windfall profits tax payments within the state's Single Business Tax base and establishing a mechanism for interim relief in natural gas purchase price increase cases which requires action by the state Public Service Commission.

Also recommended was a new system to promote stability of the state's oil and gas leasing process, new procedures for the timely issuance of drilling permits, and the continued work of the state Energy Administration with other state agencies to better coordinate regulatory functions.

Governor William G. Milliken said the recommendations of the task force would be carefully reviewed as he said he believed the future development of Michigan's oil and gas resources can be a key element in the state's economic recovery.

"The task force report provides a clear indication of Michigan's commitment to reducing unnecessary regulatory burdens on the industry and promotion of further exploration vital to Michigan's energy future," Milliken said.

The group, headed by Commerce Director Norton Berman, reported that major new finds of oil and gas are needed to reverse Michigan's declining production.

Estimates, based on the depletion of oil wells plus the expected addition of new reserves, suggest a 3 percent decline in natural gas production and a 6 percent decline in oil output by 1983.

The state's oil consumption, meanwhile, is projected to increase from 160 million barrels consumed in 1980 to 178 million annually by 1990.

Natural gas use should decline from 759 billion cubic feet to about 720 billion cubic feet annually in 1990.

Oil production in Michigan was equivalent to about 22 percent of the state's consumption of petroleum products in 1981 while natural gas produced in the state provided approximately 20 percent of the state's supply in 1981.

The future, the report said, says the state may be more dependent upon imports. Assuming no new major finds, the state's natural gas production will meet only 12 percent of the state's projected demand by 1990.

Michigan ranked 11th and 12th, respectively, among all the states in production of natural gas and crude oil in 1980.

In 1981, oil and gas exploration and production yielded \$171.6 million in revenue to the state with the largest source coming from the oil and gas severance tax which was \$83 million.

The task force concluded the prospects for the future of oil and gas exploration and production in the state remain good, but continued cooperation between state government and industry is important to assure the full contribution of Michigan's resources in meeting future energy needs.

Dear Whitey,
I am a little disappointed in your paper for the lack of coverage on Louise Hayes Dance Studio's performance of "Peter Pan and Other Fantasies" on June 25th and 26th.

Not one word or picture appeared in the paper about the adults, children, or teacher who had worked so hard and danced so beautifully for our enjoyment. Prior to the performance your paper did run one very small article about the upcoming event.

In contrast, I couldn't help but notice the wonderful and well deserved revue received by The Young American's from Jon Thompson. I feel The Avalanche was negligent in failing to revive our local talent.

Louise Hayes deserves a great deal of credit for all the hard work she has done in bringing culture to our young people here in Grayling.

For all of your readers who missed seeing Peter Pan at the High School, our local dancers have been asked to perform the entire production of "Peter Pan" and several other numbers for the Traverse City Arts Festival to be held on October 16 this fall.

Signed:
One proud mother of three hard working dancers

Chamber to Sponsor Tommy Dorsey Band

Turning back the hands of time will be the theme when the Tommy Dorsey Band comes to the Grayling Holiday Inn on Friday, August 20.

The program, sponsored by the Grayling Regional Chamber of Commerce, will bring to the area those sentimental big band favorite tunes.

Buddy Morrow, conductor of the orchestra, is recognized as one of the all-time great trombone players. His great musicianship has been evident through the years and first came to the public eye when he was featured with leading orchestras such as Tommy Dorsey, Paul Whitman, Artie Shaw and Jimmy Dorsey, and as staff musician with many of the major radio and television shows.

Morrow insists that the band retain the authentic sound and style of the late Tommy Dorsey and still have the elasticity to meet almost every musical situation. They can play a college prom, a country club, a scholastic clinic, or a policeman's ball, or play a jazz concert for non-dancing audiences, all with expertise.

His repertoire embraces

not only the classics of the original Tommy Dorsey Orchestra but the spectrum of popular music from Dixieland, rhythm and blues, intricate ballads to progressive jazz of current rock tunes, and his library also has a nostalgic representation of those familiar tunes of the 40's so irreplaceable to the many who loved and remember "Big Bands".

Buddy Morros is one of those rare Big Band leaders of today; a man whose own skill on his horn is both an inspiration to his band and a thrill to audiences wherever he appears. The combination of the Tommy Dorsey 'Orchestra and Buddy Morrow is as natural as peaches and cream, and we trust you will agree, that what comes out best is what's put in naturally.

Tickets for the performance, which will run from 8 p.m. to 12 Midnight, are available at \$10.00 per person. Tickets may be obtained at the following locations: Grayling Chamber of Commerce and the Crawford-AuSable School Office; Grayling State Bank in Frederic; Fred Schaibly in Lovells; Gaylord Chamber of Commerce, Glen's Market and Gaylord State Bank in Gaylord.

Tickets may also be obtained at: Houghton Lake Chamber of Commerce, Hunt's Rexall Drug Store and Glen's Market in Houghton Lake; the AuSable Store and Glen's Market in Roscommon; Glen's Market in Mio; Kalkaska Chamber of Commerce and Glen's Market in Kalkaska; Kurtz Music Center of Traverse City.

With the summer abundance of green foliage, it is easy to overlook some of which might be toxic to the human body. Children are especially attracted to leaves or rootstocks of plants in the flower or vegetable garden. For example: Hyacinth, Narcissus, Star of Bethlehem, Autumn Crocus, and Snowdrops have toxic substances in their roots and bulbs. The seeds of ornamental Sweet Peas have caused skeletal deformities in laboratory animals. The foliage of Foxglove, Dutchman's Breeches, and Bleeding Hearts also contain toxic substances.

In the vegetable garden the most dangerous is the leaf of the rhubarb. The stalk of rhubarb is perfectly safe, but the leaf contains oxalic acid which is highly toxic to the kidneys. The potato is very closely related to Black Nightshade. The poisonous alkaloid is concentrated in vines and green tissues. Norman, healthy potato tubers are harmless even if eaten in large amounts, but beware of green "sunburned" spots on tubers, or sprouts on potatoes. Sprouts and green spots should be discarded.

Altogether there are many beautiful flowers and edible plants, but it pays to be aware of those parts which may cause harm to us or our little people.

College Bound

Oakland University has had a significant increase in applications this year from students throughout Michigan. The decision to enroll at the university was made by over 1200 of Michigan's finest high school graduates.

Eileen M. Kelly, 126 Barbara St., Grayling, has been admitted to Oakland University for the fall semester. Kelly is a graduate of Grayling High School.

RUNS IN DENVER MARATHON—Janet Kucharek, daughter of Mr. and Mrs. John Kucharek of Grayling, ran in the 26 mile United Bank of Denver Mile High Marathon on May 2, 1982, finishing with a time of 4:49.17.

Janet is a 1978 graduate of Grayling High School and the former Grayling Winter Carnival Queen for 1978.

Completes Naval Training

Navy Seaman Recruit William H. Fairbotham Jr., son of William H. Fairbotham Sr. of Frederic, has completed recruit training at the Naval Training Center, Great Lakes, Ill.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

CARD OF THANKS

I wish to thank everyone at Mercy Hospital for their good care while my late sister, Rose Wilcox, and myself were hospitalized at the same time.

Also our friends and neighbors for their flowers, food, cards, and many kindnesses.

A special thanks to Dr. Blaha and Dr. George.

Guests were Mr. and Mrs. Joe Stripe of Grayling.

The class is making a contribution to the Grayling Alumni Association in honor of deceased classmate Bill Sorenson and their sponsor, Cecil Roberts.

To the Family of Norval Stephan

All though your loved one has now gone to rest, and though we'll miss him so, we know he'll find the peace he needs where everyone must go. Though winds may blow and seas may roll with trouble all around, we know within our hearts that he is only homeward bound, but if your melancholy heart cries out for him today remember - he cannot come back - but we can always pray.

ANYONE WHO HAS DRIVEN THE INDIANAPOLIS 500 FOR 25 CONSECUTIVE YEARS, HAS TO BE SKILLED, TENACIOUS AND SOMEWHAT LUCKY. THAT MAN IS

A.J. Foyt.

THIS 47-YEAR OLD TEXAN DROVE HIS CAR 203,332 M.P.H. IN THE QUALIFYING TIME TRIALS. HE LED THIS YEAR'S RACE FOR QUITE A WHILE.

FOYT IS POPULAR WITH RACING FANS. OTHER DRIVERS SEE HIM AS EXTREMELY COMPETITIVE. HE WON THE INDY 500 IN 1961, 1964, 1967 AND 1977. A.J. HAS SAID HE'D LIKE TO RUN ANOTHER YEAR OR TWO. HIS CAR: A MARCH-COSWORTH.

August 10 Primary Features 4 Co. Races

Four races for party nominations will be the highlight of the August 10th primary in Crawford County. Eight other county positions have candidates running unopposed for the Democratic or Republican nomination.

The county positions having more than one candidate seeking their party nomination are County Clerk Register of Deeds, Elizabeth Wieland is running unopposed for the Democratic nomination for the County Clerk Register of Deeds position.

James Kolka, Nancy Krey, and Robert Prause are seeking the Republican nomination for County Clerk Register of Deeds. Elizabeth Wieland is running unopposed for the Democratic nomination for the County Clerk Register of Deeds position.

Jeannette J. Kitchen and Wilfred Herud Moshier are seeking the Republican nomination for District 1 County Commissioner. Walter A. Nowak and Don Welser are seeking the Republican nomination for District 5 County Commissioner. Garland "Bud" Joyce and Dick Raab are seeking the Republican nomination for District 7 County Commissioner.

Below are profiles of the nine candidates in the contested races.

Clerk/Register of Deeds
JAMES M. KOLKA-Native of Grayling for 56 years. Graduate of GHS, attended Western Michigan College 1/2 year, and CMU 1 1/2 years.

Served in U.S. Navy 3 years during WW II. Employed at Cadillac Overall Supply Co. for 29 years as driver-salesman.

Served on Crawford AuSable Board of Education 12 years, president of the board one year. Serves on C.O.O.R. Board of Education, worked as secretary, treasurer. Re-elected this June for another term.

Member of Grayling Lions Club, three years as vice-president. In charge of Puppy Program for Leader Dogs for the blind and in charge of all dogs donated to the club to be sent to school. Also in charge of the eye glasses for the needy. Member of the American Legion Club for 37 years. Helped build the club building. Member of Mt. Hope Lutheran Church for 30 years, elder, trustee and usher.

"I am a native of Grayling and have always been interested in our local government and school systems. Until this time, I have only had the time to participate in the school systems. However, I now find I am able to accept the local government position of County Clerk and Register of Deeds.

My family and I have had a good life here in Grayling and have made many friends over the years. Now I would like to do my part in local government by serving the people of Crawford Co."

JAMES KOLKA

NANCY KREY-Resident of Crawford Co. 5 years. Born and raised in Lansing area. A 1956 graduate of Haslett High School. Married, with three grown children and one daughter still attending GHS. Two grandchildren.

Fifteen years of banking experience, including bookkeeping and commercial banking with Commercial State Bank of Greenville, and Secretary to the Board of Directors at East Lansing State Bank. Eight years experience in county government, including 3 years with Montcalm Co. Friend of the Court and five years with Crawford Co. Clerk - four of those as Chief Deputy. Was appointed Crawford Co. Clerk/Register of Deeds on Jan. 1, 1982, by Circuit Judge William A. Porter.

"Having worked as Chief Deputy to the former Clerk Les E. Lovely, I have the advantage of complete familiarity with the operation and the responsibilities of the office. Since my appointment to County Clerk in January, I have begun to modify policy by extending the hours of the Clerk/Register's office through the lunch period to provide a full 8 hours of service to the public, and have specialized my staff so that all employees are being trained in all necessary services.

"The Clerk/Register's office performs a multitude of vital, complex, and necessary functions, including financial administration. It can become a cumbersome and expensive operation if personnel are not versatile and utilized wisely, and if the methods of

operation are not streamlined, updated regularly, and closely monitored. I am not a politician; I am a businesswoman. There is a service which must be performed and the taxpayers deserve efficiency in the delivery of that service. If the people of Crawford Co. return me to office, I will run the office in the only way I know - as a business."

NANCY KREY

ROBERT A. PRAUSE - Resident of Crawford County 18 years. Bachelor of Science degree from CMU, Master of Arts degree in math from CMU. Passed GRE III exam from Mich. Assoc. of Realtors, attended Institute I, II, and Appraisal from Holloway Real Estate Training in Lansing.

Teacher at Crawford AuSable schools 1965-1979. Also taught at St. Charles and Beal City for 4 years. Owner, Associate Broker, Sales Associate, manager, and bookkeeper of local realty. Instructor for Holloway Real Estate Institute.

President of Teacher union at Crawford AuSable, Grievance Chairman, and Chairman of Union negotiating team. Grayling Lions Club President and Vice-President. Head of mathematics dept. President of Grayling Multi-List Assoc. Vice-President of Water Wonderland Bd. of Realtors. Member of Bd. of Directors for Grayling Centennial. Has remodeled 4 homes and built one home. Member of River Country Players (local theater group) and member of Grayling Booster Club for 15 years.

"I am seeking the open position of County Clerk/Register of Deeds because my education background, work experience, and leadership ability qualify me as the best candidate. It is a position that requires contact with the public and I feel working with the public is one of my strong points. My teaching experience of 16 years, real estate background, (including salesperson, broker, and real estate instructor) and my present position as Inspector for Crawford Co. Housing Comm. helps qualify me for much of the knowledge needed for this position.

"I am not going to make promises in this campaign that I cannot keep. If elected I will do my utmost to see to it the Clerk/Register's office operates as efficiently as feasible."

ROBERT PRAUSE

District 1 Commissioner
Wilfred Herud MOSHIER Native of Grayling, resident for 31 years. GHS graduate, Associate degree in Business Administration from Muskegon College. College Business degree in Business Law and Resort and Apartment Management from Foothill Comm. College, California, attended KCC for classes in auto mechanics, aviation, mechanical drafting, real estate, and refrigeration.

Charter member of Grayling Jr. Chamber of Commerce, Vice-President of Concerned Citizens of Crawford Co., member of Grayling Booster Club, and member of St. John's Lutheran Church.

Work experience as assistant cost accountant at Manning, Maxwell, and Moore in Muskegon Heights, manager of local sporting goods store, gen. manager of Westwood Garden Apartments, California, owner/operator leased to North America Van Lines - 3 years safe driving awards, more than 700,000 miles - built, managed Milltown Party Store until sold in 1981, certified auto mechanic.

"If elected I will continue to seek the will of the people and investigate thoroughly all matters prior to voting to spend your hard earned tax dollars. I believe the county board needs some conservative members to the ultra

liberal board. I believe that our tax dollars could be spent more wisely.

"If you have been reading the Letters to the Editor and the County Bd. of Commissioner's minutes, you will know that I have been interested in our county's government for several years, that I have been at meetings, that I have reported to the public questionable issues. The nation cannot conserve as a whole unless we start at the local level."

WILFRED MOSHIER

JEANNETTE J. KITCHEN Native of Grayling 51 years. Six children and seven grandchildren, real estate salesman and broker 13 years, 120 hours of real estate courses, one semester of business law at KCC.

A member over the years of PTA, Mercy Hospital Aux., Legion Aux., ABWA, Grayling Business Women's Club, Water Wonderland Bd. of Realtors - which she served as director and secretary - Multi-List Assoc., Grayling Booster Club, and a member of the Michelson Memorial Church.

"I have helped make Crawford Co. fiscally responsible. We started with a deficit budget in 1979 and ended 1981 \$150,000 in the black.

"I feel I know the people of the community and their grass roots heritage and want to keep it that way. I've helped improve our county system with more efficiency thus a money savings for all taxpayers."

JEANNETTE KITCHEN

District 5 Commissioner
WALTER A. NOWAK - Resident of Grayling 5 years. Graduate of Central High School in Alpena and University of Colorado. Attended summer school and management and business courses at U. of M., Alma College, and CMU. Also attended Mich. State Chamber of Commerce Institute completing 7 courses.

Work experience includes family clothing business in Alpena, radio sports announcer, T.V. host of "Outdoor Trails with Walt Nowak" for channels 7 & 4, retired Executive Director of Grayling Regional Chamber of Commerce. Also served as Executive Director in Mt. Pleasant and Owosso.

Memberships include Past President of Organization Executives of Michigan, Board Member of Mich. Chamber Executives, Executive Officer of Home Builders Association of Shiawassee County, President of St. Joseph's School Board, Chairman-Valley Area Agency on Aging - Genesee, Lapeer, Shiawassee Counties and the City of Flint, Board Member-Shiawassee Chapter American Red Cross, President - St. Mary's Parish Council - Grayling, Past Secretary and present Board Member - Crawford County Economic Development Corp., Member-Private Industry Council - Northeast Mich., Member of Crawford Co. Parks and Recreation Comm., Knights of Columbus - Grayling, Board Member - East Mich. Tourist Assoc., Board Member - N.E. Mich. Council of Governments and N.E. Mich. Community Services Agency, Vice Pres. N.E. Michigan Manpower Consortium, Board Member - District No. 1 Health Dept., Board Member - 21 County Substance Abuse Council, Grayling Mercy Hospital Planning Committee and Grayling Rotary Club.

"I came to the Board of Commissioners two years ago determined to apply my administrative background and financial experience to the business of local government. That business is to fulfill the mandates of the law, and return our resources to the people in the form of the best

possible services at the least cost.

"No responsible local official can pledge never to spend, or promise to return Crawford Co. to the operation of the 1950's. As a fiscal conservative and Chairman of Finance, however, I have firmly refused to spend foolishly, have insisted our local government live within its means, and have vigorously resisted attempts by the State and Federal governments to usurp our revenues and further impose costly standards and regulations on local taxpayers. If the voters give me the opportunity on Aug. 10th, I will continue to give them my best for the next two years.

WALTER NOWAK

DON WELSER-Resident of Crawford Co. for 19 years. Two daughters and two sons. Leslie, 21, teaches handicapped children and Wendy, 20, attends college. Greg, 15, and Jayson, 12, attend Grayling schools. Member of Mt. Hope Lutheran Church.

Served in U.S. Army in Korea for two years, a member of the American Legion, and Grayling Booster Club, a charter member of Presidential Task Force and the President's Leadership Council.

Worked as Top Secret Quality Control Inspector for Chrysler Corp. on Redstone Missile project. Built and operated an automatic car wash in Utica. Operated Welser's Motor Lodge for 8 years, built and operated Timberly Village Mobile Home Park and Campground.

Served as vice-president of Chamber of Commerce, first president of Grayling Industrial Development Corp., originator of idea of 1st Red-coat Round-Up.

"My primary reason for seeking the position of commissioner is to help cut unnecessary spending. Several years ago I helped form the "Crawford Co. Taxpayers Assoc." and "Concerned Citizens Group" to control the ever increasing property tax problem. I believe people are taxed beyond what they can afford with no end in sight.

"For several years I have been observing the expense accounts of the various commissioners and I honestly believe that of the hundreds of meetings they attend (and get paid for with your tax dollars) 50 percent are absolutely unnecessary. Like others, I also believe that the new phone system installed in the county building was not a very rational decision and should have been checked thoroughly before committing taxpayer's dollars for an extended 10-year lease. One of my objectives, if elected, will be for an increase in payments by the state in the "Swamp Tax." These are several examples of the many problems I've seen that I believe by being on the board as a "Concerned Citizen" I can help solve by being alerted before the problems get out of hand."

DON WELSER

District 7 Commissioner
DICK RAAB- Permanent resident in county since 1973, regular visitor to area for 20 years. Graduate of Metamora High School in Ohio, attended night classes and completed business courses at University of Toledo. Member of St. Mary's parish, Director of Lake Margrethe Property Owners Assoc.

Worked 22 years with Pure Oil Co. serving in various posts including branch manager at Bay City. Operated a restaurant, gift shop, and service station at Auburn and employed 38 persons. Active in community and civic affairs in Auburn.

"I have no axe to grind with anyone presently on the commission nor anyone seeking a seat on the commission. Since moving here 9 years ago I

have learned to love and appreciate this area. I am more than willing to devote whatever amount of time is necessary or beneficial to the well being of the area. I believe I can lean on my background, experience, and knowledge of this area to serve the residents in an honorable, honest and hardworking manner. We have several items facing us right now which in my opinion require high priority and very deep thought; such as, the jail problem, which it seems the state is forcing upon us without the accompanying check, and stepped up research on ways of attracting industry and creating jobs.

"I would pledge to work diligently on these and all other problems facing this area."

DICK RAAB

GARLAND (BUD) JOYCE Homeowner in county 27 years, permanent resident last 6 years. Born in Wisconsin, lived most of life in Mich. Worked as factory laborer, played professional baseball until entering U.S. Army in WW II. Served as Infantry Company Commander, Pacific Theatre, remained in Army in Occupied Japan until 1946. Married 43 years (Jeannie Joyce), one son (Mike, former Grayling athlete, U of M, and Chicago White Sox pitcher), four grandchildren, ages 11 to 17. Education: Bachelor of Science in Education & Recreation, Wayne U., Masters Degree in Education & Administration, Wayne State U. Approx. 30 hrs toward Doctorate in Labor Negotiations and Personnel Relations. Military Education: Infantry School, Fort Benning, Ga. (Basic & Advanced), Command & Gen. Staff College, Ft. Leavenworth.

1. Chairman, County Planning Commission, 2. Member, Mich. Planners Assoc. 3. Member, Grayling Twp. Tax Review Board. 4. Member, Grayling Recreation Authority. 5. Member, Mercy Hospital Fund Raising Committee. 6. Chairman, Booster Club Scholarship Committee. 7. Chairman, CHILID Committee to raise funds to re-open school libraries in 1981/82. 8. Trustee, COOR Intermediate School Board. 9. Chairman, Committee to renovate Children's Section Crawford Cty. Library. 10. Life Member, Mich. Nat. Gd. Association & Reserve Officer Assoc. 11. Member, Michigan Negotiators Association & Oakland Cty. Negotiators Assoc. 12. Member, Mich. Association of School Boards.

As Ass't Supt. of Schools w/ \$14 million annual budget, my responsibilities included: Personnel assignment & evaluation of 900 employees. Specific duties re: Labor negotiations, budget, personnel management, organizational procedures, public relations, security of all bldgs, property & students. (Have published, copyrighted book on subject). County Planning: Have completed Prime Forest & Soil Survey as of 1981.

Personal review of county property taxes and personal contact interviews with 200 citizens regarding high taxation causes this to be a priority item for Cty. Commissioners. I consider this item of highest priority, particularly for homeowners on or near lakes, rivers, or near city. Liaison w/Education & Military Officials: Increased economy in Crawford County is directly related to infusion of money through new business, industries or tourism. A sound educational system is a major consideration of any business or industry before investing money in a community. More tourism and possible new land owners come from soldiers here for summer encampments. An ongoing liaison committee between school and commission, military and commission could be of potential, mutual value. I have been on both sides of these units of government and could be of assistance to both.

Bowling Meeting

The Senior Citizens Bowling League meeting will be August 10th at 1 p.m. at the Senior Citizen Center, 208 Lawndale Drive.

Gen-Tel Compiling New Directory

General Telephone is now compiling information for the new telephone directory. "Telephone customers in the communities of Gaylord, Grayling, Higgins Lake, Houghton Lake, Roscommon and Vanderbilt who want to

make corrections or additions to the directory must contact the company's service office before Friday, August 27, 1982," Bob Kowalski, division manager for the company, said today. During the information compilation period, both residential and business customers can change their listings. There may be a nominal "records change" charge for revisions made to white page listings.

Knight Earns National Award

Jeff Knight, 1982 GHS graduate, has been named a 1982 U.S. National Award winner in wrestling. Knight will appear in the U.S. Achievement Academy Official Yearbook published nationwide. Knight lives with his uncle and aunt, Mr. and Mrs. Don Ferguson, in Grayling and plans to attend Mid Michigan Community College or Muskegon Comm. College this fall.

SQUARE DANCERS—The Swinging L's are proud to be an entertaining entity of our community. The club put on a demonstration at the Milltown Festival, they have now been asked to dance August 14 at Hanson Hills, as part of Muscular Dystrophy Day. That demonstration will be held at 8:15 p.m. We hope to entice new dancers for classes that begin in September. The club dances are held the 2nd and 4th Thursday of the month at the Lovells Township Hall, workshop begins at 7:30 p.m. and refreshments are served in the middle of the evening. Atkinson Reunion

The 23rd Reunion of the family of Sarah and Alexander Atkinson was held in Midland at Plymouth Park on Sunday, July 25. Helen and Dick Woodbury, Ruth and Bill Eyre, Midland were host couples.

They picked a spot very near to the swimming pool which pleased the 22 young children (and some older children). Total present was 63.

The largest family was that of Ruth and Ross Atkinson, Bay City, with 14, including their granddaughter, Jennifer Elliot who was the youngest present. Oldest was Dick Woodbury.

Attending from Grayling were Nancy Cox, children, Jamie, David and Elissa, Clara (Atkinson) and Robert Sorenson. Committee for 1983 is Grace and Taylor Longstaff, Carla and Dale Maxim, Bay City.

Chris Clover's Corner

Achievement! Achievement! Ribbons! Ribbons! Ribbons! Learning by doing was all around the tent next to the Library and Historical Society buildings during Milltown. The tent was full of exhibits from clubs. Outside the Hoofbeats had their Petting Park for the kids along with pony rides. The Leader Dogs were present with their special guest Mrs. Violet Wells and Gypsy her Leader Dog. Out front the 4-H Dimensions danced and sang up a storm during the day long with demonstrations, rabbit beauty contest, a skit "A Day in the Life of a Leader Dog Puppy" and to top it all off a performance by Frank T-Bear a Country Western singer from Houghton Lake.

The day was very busy and exciting as the 4-H members eagerly awaited the Judges decisions on their projects of the year. All members have their ribbons now. Nancy Hatfield asked me to report that her judges Mr. and Mrs. Hugh Juday from Boyne City gave all the members and their puppies blue ribbons that day. The members include Jeff Cowie, Steve Cowie, Todd Peterson and Sue Harnois. Nice going 4-Hers!

The beautiful cloth banner that was on exhibit in the Leader Dog exhibit was made by Sue Harnois from Mio. The Club carries it in the parades they are in. Good job, Sue!

If you counted the members in the parade Sunday with Nancy you came up with more than the Grayling club because the Kalkaska Blind Faith 4-H Club joined the Grayling members. Both clubs of kids and dogs enjoyed cooling off down at the Lake by Nancy's house after the parade. Plans were made for a joint picnic in the future. Aug. 11th will find them in Roscommon at the Roscommon County Fair. Their presentation will be at 6:00 p.m.

4-H is sure growing in Crawford County! I would like to say Welcome to the new leaders in Lovells - Verman Collins, Carol Gauthier and Heidi Miller. These new leaders will begin clubs soon and many thanks go to the Key Leader - Ruth Caid, for her help in recruiting these fantastic people.

A special thanks to Lary Gust, Ms. Jean and Ms. Jessie for another great summer swimming program out at Pine Knoll. Without people like them working with our children and parents caring about their children's lives there would not be a swimming program.

A reminder to leaders that the Council Meeting will not be on August 16th but will meet August 30th for a Leader Workshop by Frank Kapp and to evaluate Achievement Day. This meeting is for all leaders new and old and assistant leaders also.

If anyone would like to join a club or would like to start a new one call the 4-H Office at 348-2841 and let Ann know.

BREAKING EVEN—Robert Arnold of Grayling bid \$54 to the Mercy Hospital Radio-Auction for the chance at grabbing one handful of quarters. When he picked up 216 quarters — \$54 even — he said, "It's for a good cause." (Photo courtesy of Roscommon Herald News)

Texas Turkey

Known as "Texas turkey," armadillo meat is roasted over Texas campfires and is considered a great delicacy by Indians in Mexico.

Armadillos play a role in pest control, since insects are their favorite food, and they spend most waking hours rooting in the soil for beetles, ants, and grubs.

Changes

Foundation garments have undergone radical changes from the first ones worn in Egypt some 4,000 years ago. Styles have changed from corsets of steel similar to knights armor to delicate garments of lightweight spandex and lace.

Grayling Township Board

Special Meeting — July 21, 1982

Members present: Elizabeth Wieland, Marvin Hallett, Jacqueline Bonkowski, Evelyn Gardiner
Members absent: Bernard Fowler
Building Committee Members present: Randy Thompson, Ed Rutkowski, C. Leo Post, William Rutter
Building Committee Members absent: Dave Wyman
Others present: Robert Somerville, Bob Chappel, Barbara Sojka

Meeting was called to order at 7:30 p.m. for the purpose of reviewing the proposed building plans for the Township Community Center with the architect, discussing possible alternatives for said plans, and scheduling a road project for Wilcox Bridge Road as advertised.

1. Cost of eliminating the meeting room, entrance room, relocation of the garage, and reducing the size of the kitchen were discussed. Mr. Somerville estimated these costs to be between \$40,000.00 and \$50,000.00. This estimate includes the elimination of some side walk, grade work, and the related plumbing, electrical, and mechanical work for the proposed meeting room.

The 7'10" interior doors were questioned. Mr. Somerville explained they come standard with the movable petition system. If other size doors were used with this system, they would be special order and cost more. The cost of movable petition walls for some of the interior walls was compared with regular framed walls. Mr. Somerville indicated about \$3,500.00 could be cut if fixed walls were constructed. The price of paneling was also discussed. Paneling is included for some walls for contrast. It could simply be eliminated. Discussion on cost of metal construction versus block or wood frame was also held. Elimination of a proposed shower was estimated at \$200.00. Mr. Somerville indicated if he were authorized to meet with the low bidders (general, plumbing, and electrical), he would be able to supply a more accurate estimate of comparable costs of the questions or alternatives being pursued. Motion by Bonkowski, supported by Gardiner, to authorize Robert Somerville to meet with said low bidders to come up with alternative construction — metal, wood, or concrete with basically the same floor plan for offices at this time keeping in mind that a meeting room and/or future expansion of offices could be added at a later date if needed. All ayes. (Committee will decide on this matter and Mr. Somerville will be so notified.)

Brief discussion on financing was held. Mr. Rutter suggested the Board consider opening bids again and have someone from the Township act as the general contractor.

2. Cost estimates for a road project for Wilcox Bridge Road for continuing the paving from the end of the existing blacktop to just past the junction of Wilcox Bridge and Jones Lake Roads were received at \$15,000.00. The Road Commission will continue funding at 50% of the total project and can schedule this project yet this year if approved by the Township. Motion by Gardiner, supported by Hallett, to approve the project of blacktop for Wilcox Bridge Road as proposed at the total cost of \$15,000.00 this year. All ayes.

Motion by Bonkowski, supported by Hallett, meeting be adjourned. (9:22 p.m.) All ayes.

Lovells Township Ordinance

No. 7-13-82

An ordinance to regulate the speed of vessels and to provide for the safe use of the waters in Lovells Township; enacted under the authority of Act 303, Public Acts of 1967, M.S.A. 18.1287(17), being identical to State Administrative Rules filed in the Office of the Secretary of State.

THE TOWNSHIP OF LOVELLS ORDAINS:

Section I All words and phrases used in this ordinance shall be construed and have the same meanings as those words and phrases defined in Act 303, P.A. 1967, M.S.A. 18.1287(6).

Section II Regulation No. 21, Crawford County, Lovells Township R 281.720.7, K.P. Lake, Sections 25 and 28, Town 28 North, Range 2 West, Lovells Township, Crawford County, Michigan:

On the waters of K.P. Lake it is unlawful to operate a vessel propelled by machinery with the use of fuel, only.

Section III All other ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section IV Violations of this ordinance are a misdemeanor and may be punished by a fine not to exceed One Hundred (\$100.00) Dollars, together with costs of prosecution or imprisonment in the county jail or such other place of detention as the Court may prescribe, for a period not to exceed ninety (90) days, or such fine, costs of prosecution, and imprisonment as the discretion of the Court dictates.

Section V This ordinance and the various parts, sections, subsections, provisions, sentences and clauses are severable. If any part of this ordinance is found to be unconstitutional or invalid it is declared the remainder of this ordinance shall not be affected thereby.

Section VI This ordinance shall take effect thirty (30) days after its publication in the Crawford County Avalanche.

We, the undersigned Supervisor and Clerk of the Township of Lovells, do hereby certify that the above ordinance was passed by the Lovells Township Board by a 5 to 0 vote on the 13th day of July, 1982, and that it was published in the Crawford County Avalanche on the following dates: August 5, 1982 and August 12, 1982.

City Council Proceedings

Regular meeting of the City Council held July 26, 1982.
The meeting was called to order by Mayor Thompson at 7:30 p.m.

Members Present: Latuszek, Thompson, Sloan, Goinick.
Members absent: Sabin.
Also in Attendance: Jerry W. Morford, City Manager; Allen Schreiner, City Treasurer; Patricia Schreiner, R. Duane Nimke, Jim Packard, Dawn Haag, WGRY; Don Geiss, Jack Hull.

Motion by Sloan, supported by Latuszek that the minutes of the meeting of July 12, 1982 be approved as presented. Ayes: 4, Nays: 0, Absent: 1, motion carried.

There were no Citizens who wished to speak.

Communications were received and noted.

*Mr. Sabin was now present.

From Grayling Beautification Committee re: Future Planning.

From Grayling Mercy Hospital re: Future Planning. Mr. Duane Nimke appeared to discuss a letter of request from Mercy Hospital for designation of the DNR Fire Station property as being appropriate for future hospital and/or other health care use. The City Manager noted several particulars of the property and stated that the proposal by Mercy Hospital needs study before any action should be taken. Council requested Mr. Morford to prepare a staff report on the property and make a recommendation within the next 60 days.

From Michigan Liquor Control Comm. re: New SDM License.

From State of Michigan re: Leases.

From Michigan Dept. of Public Health re: Water Treatment Certificate for Robert Cinciala.

Old Business.

A proposal for a new front-end loader has been received. Mr. Morford asked Council if it was their desire that he negotiate for this purchase or if he should advertise for bids. Council agreed that he should look into the proposal and report back to Council at the next meeting.

The City Manager reported on the status of the 1982 street program. The pre-construction meeting was held on July 21, 1982 and the contractor should start moving in Monday, August 2, 1982. The sewer work will be done first and will be followed as soon as possible by the paving and curbs and gutters. An attempt will be made to complete Ingham Street in as short a time as possible. The contractor expects to be finished approximately the middle of October. Discussion took place concerning a letter received relative to the sewer construction on Brink Street and Mr. Lehto's answer to the letter in which he stated that the proposed construction methods should be adequate to solve the problem.

A proposed change in City Policy re: Employee recognition was presented by the City Manager. The City Manager explained the reasons for the change.

Motion by Goinick, supported by Sabin that the City Employee recognition policy be approved as presented*. Mr. Dunham is to be presented with a 20 year watch. Ayes: 5, Nays: 0, Absent: 0, motion carried.

*See attached copy.

New Business.

Mayor Thompson called to order the Public Hearing on a rezoning of a portion of the former Bear Archery property from Industrial to Highway Commercial. The City Manager reviewed the property in question and recommended approval of the rezoning petition. Mr. Thompson closed the Public Hearing.

Motion by Latuszek, supported by Sloan that the Part of the NE 1/4 of the SW 1/4 of Section 7 T26N, R3W City of Grayling, Crawford County, Michigan commencing at the intersection of the centerline of Lake St. in the City of Grayling with the centerline of the main track of the Detroit and Mackinaw Railroad. Thence S40°35'W (along the centerline of said Lake St.) 329.4 ft., thence S45°49'E (parallel with said Railroad) 33 ft. to the P.O.B., thence continuing S45°49'E; 278.35 ft., thence S44°07'W; 110.00 ft., thence S8°43'E; 342.53 ft., thence S84°34'W; 271.95 ft., thence N50°14'W; 411.10 ft., thence N39°11'E; 494.70 ft., thence N39°45'E; 110.4 ft. to the P.O.B. be rezoned from present Industrial Classification to (C-2) Commercial Classification.

Ayes: 4, Nays: 0, Absent: 0, Abstain: 1 (Sabin), motion carried.

Mayor Thompson declared the Public Hearing regarding establishment of a Commercial Rehabilitation District consisting of Lots 1, 2 & 5 of Block 9 of Hadleys 3rd Addition to the City of Grayling open for public comment.

The City Manager indicated to Council that the Public Hearing on this matter was properly advertised and that no comments regarding the proposal had been received prior to the meeting. He also described the property in question and explained the procedures used under Act 255 of 1978 as Amended as they apply to the establishment of the district in question.

Mr. Sabin asked if the Council could include a larger area (Lot 4) in the district at the present time. Mr. Morford replied that he felt that an additional Hearing with proper notice would be required to enlarge the area. Mayor Thompson closed the Public Hearing at 8:21 p.m.

Motion by Goinick, supported by Sloan "That Lots 1, 2 & 5 of Block 9 of Hadleys 3rd Addition to the City of Grayling be designated as Commercial Rehabilitation District No. 1 under the provisions of P.A. 255 of 1978 as amended, based on a determination of the City Council that the area in question is (a) Obsolete commercial property (cleared) which is part of an existing, developed commercial zone which has been zoned commercial for 3 years before June 21, 1978, and the area was characterized by obsolete commercial property and a decline in commercial activity." Ayes: 4, Nays: 0, Abstain: 1 (Latuszek), motion carried.

A request for Council to appoint a City Representative to the Crawford County Transportation Authority Board was presented by the City Manager.

Motion by Goinick, supported by Sabin that Dennis Sloan be appointed to represent the City of Grayling on the Crawford County Transportation Authority Board. Ayes: 5, Nays: 0, Absent: 0, motion carried.

The City Manager presented a request from S.C.S. for a renewal of their lease of space in the City Building.

Motion by Latuszek, supported by Sloan that the lease for S.C.S. be renewed for 1 year at the present rental rate of \$6.50 per sq. ft. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Mr. Morford presented to Council a ballot from the M.M.L. for election of trustees for the Group Workman's Compensation Fund.

Motion by Goinick, supported by Sloan that the City of Grayling cast a vote for the slate of trustees as submitted. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Mr. Morford requested Council to change the August 9th meeting to August 16th. The reason for the change is that the Primary Election is August 10th and the room needs to be set up for that purpose ahead of time. Mr. Sabin mentioned that he will be unable to attend a meeting on the 16th.

Motion by Thompson that the Council Meeting of August 9th be postponed until August 16th. Motion died for lack of support.

Motion by Sloan, supported by Sabin that the Council Meeting of August 9th be changed to August 2nd at 7:30 p.m. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Reports of Councilmen.

Mr. Goinick asked about the salt brine schedule. Mr. Schreiner stated that the probable date would be Thursday.

Mr. Goinick asked about a meeting of the Compensation Commission. Council directed Mr. Morford to send a letter to the Compensation Commission reminding them of their duty to meet during even numbered years.

Mr. Goinick asked about the fire map of Beaver Creek Twp. Mr. Morford said that we should have it by Wednesday, July 28th according to Ed Holtcamp.

Miss Latuszek submitted her resignation from the Grayling Recreation Authority, effective August 31, 1982, due to time constraints. Council will discuss a replacement at the next meeting.

Mr. Sabin asked about the school sidewalk routes. Mr. Morford has not been able to meet with the Elementary School Principal.

Motion by Sabin, supported by Goinick that the City purchase one radar unit for a city police vehicle. The unit to be under the control of Chief Stephan and used at his discretion. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Reports of City Manager. Mr. Morford had no reports.

Adjournment.

Motion by Sloan, supported by Goinick that the meeting be adjourned. Ayes: 5, Nays: 0, Absent: 0, motion carried. The meeting was adjourned at 9:13 p.m.

Keeping in touch

That mail-box on the city corner... that post office at the country crossroads... what would we do without them?

Life is too complex for us to live by ourselves. Man's interests and his welfare reach far beyond the boundaries of his community. Communication with people and corporations hundreds of miles away is a part of modern living that we take for granted. We have to "keep in touch."

But long before life became so complex, men discovered their need for another kind of communication—prayer. The courage and faith and hope which steel men for the challenge of each day come from God. The deep spiritual needs of the soul can be supplied only by keeping in touch with God.

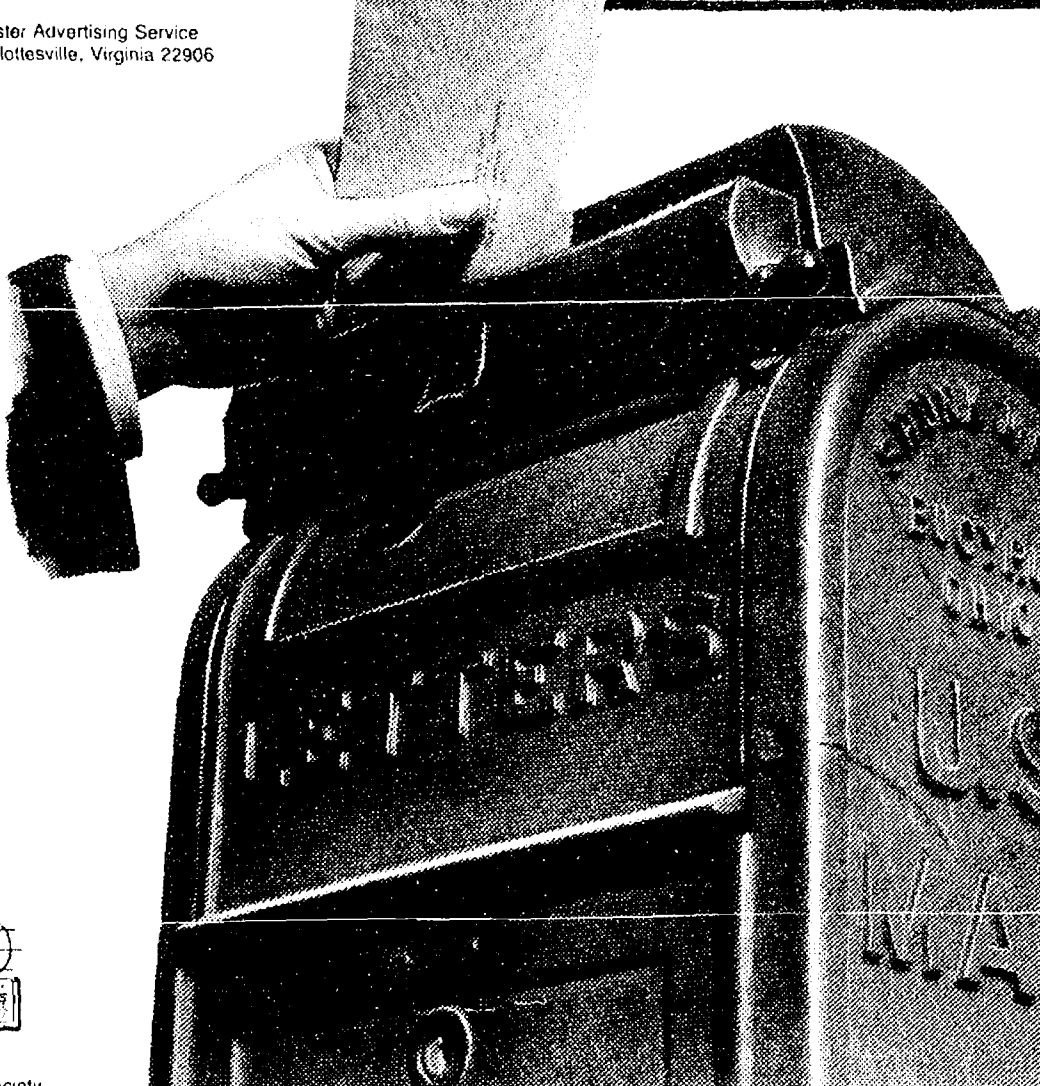

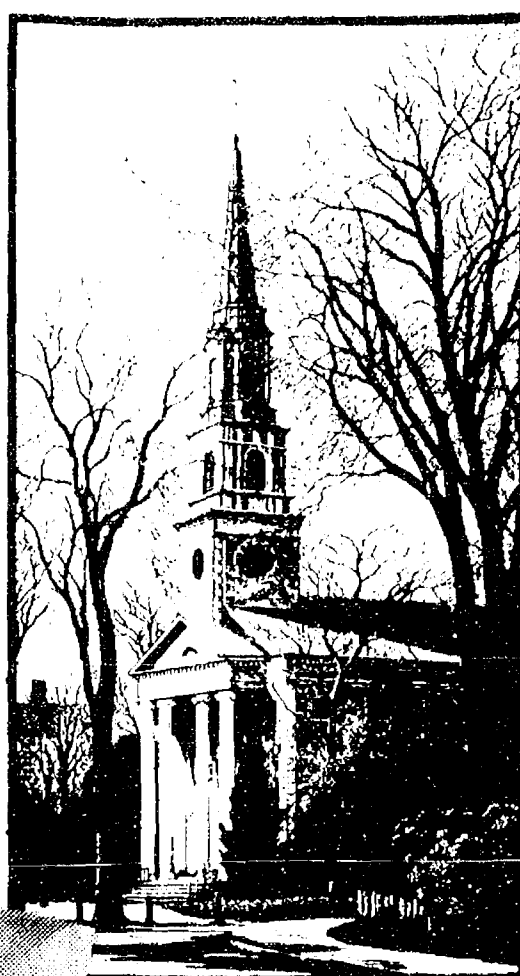

We think our mail-boxes are indispensable! Even so, one church means more to a community than all its postal facilities. For not so long ago men lived very happily without a postal system. But men have never lived happily without God!

Strolling Around Town

By Fay Bovee

A trip through the Grayling Manor subdivision near the airport indicated that a lot of improvements have been going on. According to information received the residents banded together to get their road blacktopped about three years ago and there has been a community pride out there in getting the sub fixed up. There were many neat homes and yards and more trees planted than in previous years. Two signs that we saw indicated the Stephensons lived at the beautiful blue home and the Sattlers have a yard full of flowers and interesting decor. There were many, many others. Keep up the good work!

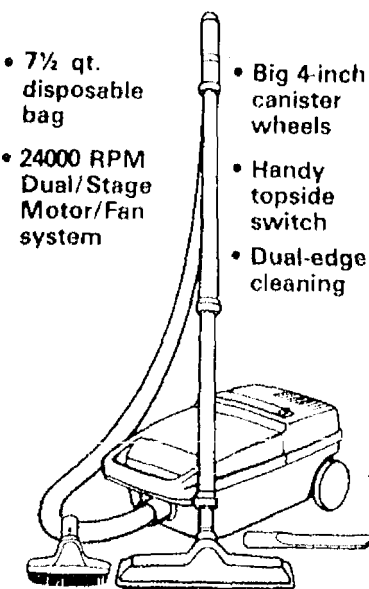

Coming back into town we find that last week we missed an area on Chestnut Street that is full of flowers, the Larry Hunter home, the Bishaw home and across the street the Edgar McPhersons have their planter boxes full again and the Perry Wells have roses and other flowers.

Several homes have remodeling underway.

Milltown Festival Contest Winners

Now that the adrenalin has slowed down and the roar of the crowds has ceased, the time has come to give a pat on the back to the various winners of contests held during the Milltown Festival.

In the children's contests, Kim Carson took first place and Kyle Pipkin second in the Bubble Gum Blowing contest. The Egg Toss team of A.J. Marks and Kyle Pipkin won first place, while Charles Montgomery and Billy Ferguson came in second.

Glen Laney was the first place winner and Charles Montgomery second in the Cracker Eating/Whistling competition.

In the under 12 year old Watermelon Eating contest, Gary Ketchum came in first while John Jurkovich and Jennifer Duncan tied for second. In the 12 year and over Watermelon Eating contest, Jim Carson took first place honors with Mike Bovlay in second place.

The Milltown Fashion Show had Mae Bishaw and Best Single Entry, Jennifer Lech as Best Children's Entry, and Gerry and Bonnie Yates as the Best Couple.

According to Milltown chairperson Kay Lech and Chamber of Commerce executive director Debbie Branch, it was an extremely successful weekend which was topped off with a fine parade.

The winning participants in the festive finale include the Crawford County Sheriff's Department for the best non-commercial float. The Chamber Award for the best commercial float went to Dan and Maggie's, Pat and Debbie's, Don and Beebees.

The Milltown Trophy went to Camp AuSable for the best marching group.

Are You Aware? Hanson Park, What Is It?

Two hundred eighty five acres located in the southeast corner of Section 14, that's what it is, at least in one way it is. Another person might describe it as being one of the nicest parcels of land in Crawford County, it just depends upon your view. But to the view of a handful of people, that 285 acres is the most important parcel of land in the world. That handful of people are the members of the Grayling Recreation Authority, some interested citizens and the management and staff of Hanson Park. To them, Hanson Park is a sleeping giant in the economic growth of our community.

Hanson Park came into being many years ago, when a large tract of land was given to the State of Michigan by the Rasmus Hanson family. There were however, certain stipulations in that gift; that the land was to be used for a military reservation, a game reserve, recreation and/or education. In one small corner of this vast track of land, a ski park was established, what is believed to be Michigan's very first ski park. The park flourished and soon a toboggan slide was added along with Winter Carnivals and ice skating. As years passed, other facilities were added until all of a sudden the bubble burst. The State stepped in and said that the terms of the Hanson Grant had been violated, and as a result, everything must go back to square one.

In 1976 an Act was passed in the State Legislature which created the Grayling Recreation Authority whose job it is to oversee the operation of Hanson Park as a Community Recreation Area. The Grayling Recreation Authority is comprised of 2 members from the City of Grayling, two members from Grayling Township, two members from the Crawford AuSable School District and one member at large from Crawford County. The "Board" meets the first Wednesday of every month at Hanson Park and the public is cordially invited to attend any and all meetings. At tonight's meeting the budget for the coming fiscal year will be discussed.

We welcome Mrs. Mary Short and daughter Bonnie to our community. They are making their home on Bald Hill Road.

The ladies who are planning to attend Music Man will meet at the ladies clubroom at 5 o'clock on Monday, dinner at 5:30 at the Holiday Inn.

Mrs. Margie Harwood and daughter Paula are enjoying a vacation in Florida visiting Disney World and other points of interest. Mrs. Cindy Paquette and daughter Katie of Mt. Clemens, accompanied them.

Mrs. Vi Richards of California is visiting friends.

The 10th annual Duby Day party was held on Saturday at the home of Mrs. Marie Duby, over 200 people attended, coming from California, Florida and Oklahoma. A pig roast was enjoyed by all.

Mr. and Mrs. Andy Parker of Lewiston and Mr. and Mrs. Marvin Wikoff honored their parents, Mr. and Mrs. John Kearney, at a dinner party for their 57th wedding anniversary.

Alumni News

We welcome Kent Reynolds as our new Superintendent and bid Good-bye to Bill Diedrich. It has been a privilege to have been acquainted with him. Dr. Diedrich brought a quiet dignity to the Office.

Had a friendly chat with Gary McClain when he was in town. He is now an Assistant Principal at Belding Elementary School. Always knew that he would make good.

I have to mention the Alumni Open House at the Middle School on July 24. It was truly disappointing! We had a committee that spent time preparing for 14 persons. So many of you had the opportunity to go through the building and judge for yourself first hand as to it's physical condition...it's sentimental condition is good.

Typists are busy addressing envelopes for the Annual Alumni Homecoming on October 2. Letters will be in the mail in a couple of weeks, so circle the date now, and we will bring you up to date in our Newsletter. OK?

Money isn't everything.

That may sound a little odd to you. Especially coming from a bank. But, that's how we feel. Money isn't everything... but expert service with financial growth is!

Money can't make a bank better. Only the staff can by their performance. Better people. Like our people. The kind of people who enjoy dealing with people. The kind who are able to put themselves in your place, knowing the importance of top notch service... on the other side of the window... or the other side of the loan application.

Come in and see us. We'll help you any way we can with our many innovative and quality financial programs.

That's what makes THIS BANK, a better bank. People who understand that service and financial growth go hand and hand. You can count on both when you bank with us, as we want your business for a lifetime.
